The firm of EDWARDS & KELLEY is becoming to be quite a factor in the lumber world. They are located out on the White's Creek Pike, about eight miles from Nashville at Joelton, Tenn. They deal particularly it lumber, hard wod and cross ties and although they have only been in busness about eight months, they are well known, as both members of the firm have spent years in the business Mr. Samuel L. Kelley, Jr., one of the partners, was in the city Saturday and when seen by a Globee reporter stated that they were both originally from Harpers River, which is in Cheatham County, and that they located near Nashville, embarking into business because Nashville has such a superior advantage as a hard wood center. They operate their own saw mill and have employed more than twenty experienced mill hands and sawers. They are handling some of the largest contracts that are being handled in Nashville. It is said that this is perhans the best known colored lumber firm in Middle Tennes-

ST. JOHN A. M. E. CHURCH, 'At 9:30 a. m., Sunday the Sunday school was packed to its utmost with the Meharry Dental Class. These students came to this place through the annual invitation of Dr. A. L. Whittaker, an efficient dentist and demonstrator of said college, and a loyal worker of St. John Church, Rev. Smith the beloved and energetic pastor, with the superintendent, wishes to thank Dr. Whittaker for this Milton Schuster and some of the Pretty Girls Who will be seen at the class and only asks that Dr. Whittaker do so again.
